## **WTA's TWILIGHT LEAGUE RULES**

- 1. WTA Officers reserve the right to refuse entry from or eject anyone from the league and/or grounds, if, in the opinion of WTA Officers, he or she is posing a safety threat, is acting in an unsportsmanlike manner, using profane or rude language, or is interfering with the shoot in any way.**
- 2. Shooters will be classified by Cashier and WTA Officers after the 6th shoot. Generally, the following classifications will be used, based on a shooter's average score at the end of the 6th shoot. However, "known ability" will also be considered. Any shooter with 500 ATA registered singles targets in the current or previous year will be classified based on the higher average on those targets or the league scores. Any overall league class winner or tie from last year will shoot one class higher this year. It is a shooter's responsibility to make sure their classification is correct.**

A – 48 and over   B – 46 and under 48   C – 44 and under 46   D – under 44

- 3. Shooting begins at 4:30 pm with the last sign- up at 7:00 pm.**
- 4. Trophies will be determined by league officials. Only one per shooter.**
- 5. The top seven out of ten scores shot by each shooter will be used when determining winners. SEVEN scores must be posted in order for a shooter to qualify for trophies.**
- 6. The top five scores shot weekly by each team will decide team standings.**
- 7. A shooter who starts after the third week will be assigned to an "open team" with the lowest accumulated score.**
- 8. Once a shooter shoots for a team, he or she can not change. BE SURE TO INFORM THE CASHIER OF THE CORRECT TEAM AT THE FIRST SHOOT AND VERIFY THAT IT HAS BEEN POSTED CORRECTLY. WTA will not make corrections after the second week. Sponsors, or captains with restricted teams must notify the Cashier within that time of any unqualified shooter.**

9. **It is the responsibility of all “category shooters” by the second week to notify the cashier of their category to be eligible for trophies in that category or declare that they do not want to compete for a category trophy. A shooter may “shoot off” for a trophy and drop back to a lower trophy.**
10. **A shooter may “make up” a missed shoot the following week only. Make up scores will count toward individual trophies only (not team trophies).**
11. **Should WTA Officials cancel a shoot due to inclement weather or other unforeseen circumstances, a make-up shoot for that night will be scheduled or not at the WTA’s discretion. All scores shot prior to the official notification to shooters of cancellation, will be binding and will not be made up. It is the shooter’s responsibility to verify a cancellation by calling the Club at (302) 834-9320, the afternoon of the league.**
12. **All other rules will be in accordance with those of the ATA.**
13. **GUN SAFETY WILL BE ENFORCED. Break-open, automatic, and pump guns MUST BE CARRIED UNLOADED, WITH THE ACTION OPEN.**
14. **NO CONSUMPTION OF ALCOHOLIC BEVERAGES IS PERMITTED BEFORE OR DURING PARTICIPATION OF SHOOTING EVENTS.**
15. **WTA Officers reserve the right to alter any part of the League schedule, or modify these rules when necessary.**
16. **Incorrect scores must be reported to the Cashier within two (2) weeks of being posted or will “stand” as posted.**
17. **Trophies no picked up within thirty (30) days from the Award Ceremony are forfeited.**
