For Use of Firearm**

The Wilmington Trapshooting Association (WTA)

I, _____, understand that while at the Wilmington Trapshooting Association (here after, WTA) as a shooter, spectator, volunteer or paid worker, I may be exposed to above-normal risks. These may include, but are not limited to: accidental discharging of a firearm during practice or competition possibly resulting in bodily harm; the possibility of being injured due to firearm malfunction; being injured due to any unforeseeable accidents while at practice or competition. I will follow the instructions of WTA officers, officials and/or shooting range staff to minimize those risks.

I understand, too, that although the WTA; its Board of Trustees, collectively and individually; its officers, members , employees and agents have taken precautions to provide proper equipment and qualified supervision, it is impossible for WTA to guarantee absolute safety. Also, I understand that I share the responsibility for safety during activities where firearms are present, and I assume that responsibility. In the event I am injured due to an accident or negligence involving myself, or any individual, I agree that that the WTA; its Board of Trustees, collectively and individually; its officers, members , employees and agents will not be held liable.

In addition, if I, while shooting at Wilmington Trapshooting Association use my own or another person's firearm, I understand that I am responsible for any incident causing harm to myself or to another while using that firearm.

I believe that I have no physical or psychological problems that would prohibit my safe participation in any activity at WTA he activity, and believe myself to be in good physical and mental condition. I agree to comply I will follow the instructions of WTA officers, officials and/or shooting range staff.

I have carefully read the following Shooting Range Rules established for safe use of the range at Wilmington Trap Association, and any firearms used on the range, and agree to abide by them.
