GENERAL INFORMATION

A shooter may “make up” a missed shoot the following week only. Make up scores will count toward individual trophies only (not team trophies). You must shoot seven of the ten shoots to be eligible for trophies. The top seven scores will be used if you shoot all ten weeks. All lady, junior (under 18 years old), veteran (65 years or older), senior veteran (70 years and older) and chair shooters must verify their classification on the posted score sheets by the fourth week to be eligible for trophies in that category.

Should WTA Officials cancel a shoot due to inclement weather or other unforeseen circumstances, a make up shoot for that night will be scheduled or not at the Association’s discretion. All scores shot prior to the official notification to shooters of cancellation, will be binding and will not be made up. No shooter may win more than one trophy. *Official Rules and other information will be available and posted the first evening of the League.*
